Elwood P. Dowd insists on including his friend Harvey in all of his sister Veta's social gatherings. Trouble is, Harvey is an imaginary six-and-a-half-foot-tall rabbit. To avoid future embarrassment for her family, Veta decides to have Elwood committed to a sanitarium. At the sanitarium, a frantic Veta explains to the staff that her years of living with Elwood's hallucination have caused her to see Harvey also, and so the doctors mistakenly commit her instead of Elwood.

Congratulations to the eddi Award Winners!

The eddi Awards honor local individuals and organizations that work to keep the arts alive in northern Michigan. Named for the late Eddi Offield, who was an accomplished artist in her own right, as well as a generous benefactor and advocate for the arts in northern Michigan. They are held every two years. Help us in congratulating this year's winners, including several who have volunteered with LTCT!

What is the Future of LTCT?

We did not raise enough in the time given to continue forward with our offer on the Baptist Church. We knew going into this that it was a long shot but one that the board wanted to take and ultimately we knew in the end whether we accomplished it or not what this allowed us to do was start on the path to try and obtain our own space. We are taking those steps needed to get the word out that we want to grow more as an organization. This will take time and everyone's help.

While going thru LTCT's historical documents the idea of having our own space came up time and time again. This is not a new thought but an old idea that the board wants to breathe new life into.

The board is working on planning a special member meeting/holiday party to have an open forum about what our volunteers and members see for LTCT in the future. What do you want LTCT to become? What is your ideal theatre size as an actor or as an audience member? What do we want our space to offer to the community? Would you rather see us renovate a building or buy land and build new?

Thank you to everyone who participated in the Facebook Poll, if you haven't already be sure to like our page for updates and happenings. It was a close margin but the winning month of the meeting & holiday party is:

The first half of January!

Keep an eye out for more details as plans are finalized!

Business After Hours

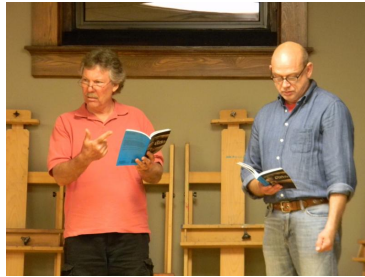

LTCT was one of the sponsors for the September Business After Hours featuring Arts and Cultural Organizations in the area held at the Great Lakes Center for the Arts. We had the chance to network and spread news about the programs of LTCT. It was a fun filled night, Elwood P. Dowd & Harvey (pictured below) even joined us to spread the news of their upcoming show!

The Lion in Winter Auditions

Lots of talent turned out for auditions along with some new faces! Our Directing team had quite the difficult decisions to make in front of them. Thank you to everyone who came out to audition.

Community Interest Classes at North Central Michigan College

Coming Winter 2019

LTCT will be working with the Student and Community Resource Center (SCRC) at North Central Michigan College to offer a 12 week long "Crash Course in Community Theatre" class starting in February as part of their community interest series. Details are still being ironed out so keep your eye out for more information to be announced.
