Exciting Statewide News!

That's Right the State Wide Theatre Fall Conference is going to be held only 50 minutes away in Gaylord at Treetops Resort. This is a great opportunity for our local theatre lovers to experience a weekend of theatre learning and excitement!

October 11-13 at Treetops Resort in Gaylord

Blimey! Fall Conference registration and hotel prices just announced!

Conference Chair Patrick Hubbard is pleased to announce that the hard work has paid off! He has negotiated a remarkable price for our Fall Conference October 11-13 at Treetops Resort near Gaylord, just three miles from I-75.

Treetops has been very generous in extending their rates starting at \$89 per night per room in the Inn. (Note: There is also a \$15 per night "Resort Fee" added!) Additional, higher-priced rooms are also available in The Lodge -- a separate building -- if you are interested, but the conference price applies only to rooms at the Inn!

Please call the group reservation line directly at [855-261-8764](tel:855-261-8764), by September 10 to make your room reservation. You will need to mention the "CTAM Fall Conference" to get our group rate.

The registration fee for the Conference this year is \$109 for Individual CTAM members and \$119 for non-Individual Members. That is a 32% reduction from last year for members.

Your conference registration includes:

- ✓ Friday Night Get Together @ The Inn (This is a BYOB night, snacks provided)
- ✓ Saturday Lunch and Dinner
- ✓ Saturday Night Party with cash bar
- ✓ All workshops and materials

- ✓ Keynote Speaker
- ✓ And the opportunity to hobnob with the greatest theatre folks in the land!

Online CTAM registration will be available soon!

Workshop sponsors being sought

In trying to keep the cost down, Patrick would also like to invite individual members, affiliate groups and organizations to sponsor one of the workshops. For \$200, your name or group's name will be boldly attached to a workshop for the full weekend.

To inquire about sponsorship opportunities, please contact Patrick for all the information and forms.

The first several workshops are announced on Page 4. Additional workshops will be announced as they become available.

The theme of the conference this year will revolve around PIRATES, so you can start thinking about preposterous parodies 'bout plundering pirates with their parrots and peg legs. There undoubtedly will be a party or two where your pirate costume would be appropriate dress! (Not so sure about the parrot and definitely not the monkey!)
